Brand

archetype

Thebrandarchetype is the character of a brand:
Alive representation that is created taking into consideration all the target audience and the brand's concept. A character that the audience can relate to. Once the archetype is defined, you will now know how people will see, and comprehend the brand. You will know what the brand will sound, look, and behave in certain situations. You will understand its values, and views on life.
Knowing an archetype allows you to create
a full-fledged personality, and structure further brand strategy.

1 The Explorer

Thefeeling of thelifepulse,newexperiences, travelare of thetoppriorityfortheExplorer. Thefact of the journeymeansnothingtothem, theylove the processitself.Thebrandsofthis archetype aspiretoditchthenormsand indulge in a newadventure.

Think of Elon Musk,RedBullorTheNorthFace.

2 The Hero

The Hero leads the way. They are impressive in their courage, and always do as they deem right. The Hero is always up for a challenge, and likes to challenge others as well. They fight villains, and aspire to make the world a better place.

Think of Martin Luther King, Nike or Duracell.
